

Approved Education Providers

Links will redirect to websites that do not belong to the Bureau and any information contained within those links are managed by the agencies they belong to.

The Bureau accepts pre-licensing and continuation education coursework from the providers listed below, or by providers approved by the licensing entities noted below. This list does NOT constitute a recommendation or endorsement.

California Code of Regulations section [4446](#) provides more information on approved education providers.

The Bureau does not provide or maintain a list of specific courses. For information regarding upcoming dates, locations, and course descriptions, please contact course providers directly. Information regarding course providers approved by other licensing entities can be obtained from those licensing entities' websites. This information is NOT available from the Bureau.

NOTE: Course providers may update or change their course offerings. Some course providers previously approved under California Code of Regulations section 4446 may no longer be offering courses or have limited course offerings.
