9 2017/2018.

- 10 • 2017 Legislation Related to the Bureau –  
11 So far, this year there are no bills identified that relate to the Bureau.
- 12 • 2017 Legislation Related to the Department –
- 13 1. AB 492 (Grayson) Advertising and solicitations: government documents. This bill  
14 was chaptered on September 26, 2017 and is effective January 1, 2018. This bill  
15 requires businesses or individuals who charge a fee for requesting public  
16 documents on behalf of another to include specified information on the document  
17 that is used to request the records. In addition, this bill would prohibit solicitations  
18 containing deadlines or other language that implies the document is issued by a  
19 state or local government agency or requires action by the consumer. This bill  
20 would authorize the Attorney General or a district attorney to bring action against  
21 any person who does not conform to the provisions of this bill.
- 22 • AB 1380 (Santiago) Developmental services: regional center services –  
23 This bill is not directly related to the scope of the Bureau, but is being tracked due to a  
24 request by the Bureau. This bill is a two-year bill as of September 1, 2017 and would have  
25 required regional centers to develop a process by which all vendor contracts are reviewed  
26 at least once every two years, and require the outcome of those reviews to be  
27 documented in the regional center's files. It would have also required an employer to  
28 submit the fingerprints of a prospective in-home respite worker to the Department of  
29 Justice for a criminal background check prior to employment and would have prohibited  
30 employment as in-home respite provider if an applicant has specified convictions. It would  
31 have also required the Department of Developmental Services to conduct an in-depth  
32 review of in-home respite provider rates, as specified, and report results to the Legislature.
- 33 • Statutory Definition of "regional center services"  
34 There was a request for a definition which was answered at the last meeting. Definition  
35 according to Welfare and Institutions Code (WIC) section 4704 is an agency which  
36 receives state funds to provide services to individuals with disabilities.

37  
38 Ms. Thomson would like to know what the specified convictions are, and Mr. Millington will  
39 report at the next meeting.

Upcoming events are the Dixon Senior Resource Fair in Dixon. This event was cancelled due to fire evacuations and will be rescheduled soon. The Bureau will also attend the 23<sup>rd</sup> Annual PFAC Educational Conference in Riverside May 30 through June 2, 2018.

- Number of Licensed Professional Fiduciaries by County –  
This list is included in the packet.
- Client Notification of Licensure Regulation Status –  
The Bureau made the decision not to proceed with this regulation as written. New language has been drafted and is in the review process. Mr. Duke stated there was confusion in the regulation because of multiple references to the Probate Code.
- Update on Status of Occupational Analysis –  
Thanks to the licensees who participated in the September and October workshops. We are hoping the OA will be completed in Spring 2018.
- Updated on Status of Strategic Plan –  
The Bureau is working with the DCA SOLID office and survey requests have been sent out. The responses will be used to draft the Bureau’s strategic plan.

Ms. Thomson asked the nature/allegation of the AG case which was initiated. Ms. Cuadra stated we could report back at the next meeting. Ms. Thomson stated she is happy to see the staff is able to attend outreach in southern California.

Ms. Federizo asked if the licenses issued is on pace and Ms. May replied it is on pace and will report back with a comparison at the next meeting.

Ms. Montez commented the number of active licensees has hovered around 730-750 although it is not growing, it is remaining steady.

Mr. Gee asked staff to share how the events come to the attention of the Bureau and how they are selected. Ms. Cuadra replied events come in several ways and if there are any the committee members know about, please let the Bureau know. All events go through the Bureau Chief and number of attendees and travel costs are taken into consideration.

Ms. de Vries asked if it was possible for the committee members to represent the Bureau at outreach events. Ms. May stated we could consider that option.

Ms. To asked what the Bureau will do at the conference. Ms. May answered there was a table, staff provided course for CE credit. Ms. Cuadra added the conference is a great place to meet potential licensees.

Ms. To asked why there is such a difference in the number of licensees by county. Ms. Akel made a comment that was not clear on the recording. Ms. de Vries stated this has to do with population in the area.

Public Comment: None.

11) Discussion of the Professional Fiduciaries Code of Ethics and Possible Ways to Improve the Code –

Ms. de Vries stated the Code seems inclusive of all situations and asked why the WIC codes were included. Ms. Cuadra stated there was a request at the last meeting that the Bureau include these codes in the review of the section.

Ms. Federizo stated there are a lot of sections that say "shall" and should be changed to "may" as sometimes the court pulls in a licensee and forbids the licensee to do certain things and it is a conflict of interest. Mr. Duke asked Ms. Federizo to identify the specific sections. Ms. Federizo stated 4482(b) and (c). Ms. Thomson stated to add something to the effect of "unless a specific court order directs....."

Mr. Duke stated changing a "shall" to a "may" loosens the authority of the Bureau but he will research this.

Public Comment: None.

12) Review and Discussion of Proposed Rulemakings

- Client Notification

Ms. May stated the Bureau believes this language will be effective in meeting the requirements of statute. Mr. Duke stated this is the first draft after withdrawing the previous package and will continue to be reviewed and modified as needed. Ms. Federizo asked if the licensee could use the notice list and Mr. Duke stated that could be included in the list.

Public Comment:

Mr. Jeff Moore asked if notification of the PVP would be included. Mr. Duke asked what the PVP is and Ms. Federizo stated probate volunteer panel and it is an attorney appointed by the court. The PVP is discharged once the conservator is appointed. Ms. de Vries stated San Francisco does not have a PVP, this must be different from county to county. Mr. Duke stated this would be a person on the notice list.

Mr. James Counts stated there is not a requirement for licenses which have been suspended or retired. Mr. Duke stated this is not part of the intent of the regulation. The intent of the regulation is to notify the client that the licensee is licensed.

Ms. Jordan Goldstein stated the original language extended the scope outside of the intent by notifying the probate attorney is overkill and would bombard the attorneys with paper.

Mr. Counts stated Arial font should not be required. Attorneys in California already know fiduciaries are licensed in California. This is outside the parameters of the legislative intent. The Bureau will consider this issue. Ms. Federizo concurs with Ms. Goldstein's comment.

- Inactive/Retired License Status

Business and Professions Code gives the Bureau authority to establish regulations for licensees to place their license in an inactive or retired status.

Ms. de Vries asked if you are in retired status, do you have to take the continuing education each year. Ms. May replied that you do not, but you do if you decide to come out of the retired status. Ms. Cuadra stated in a retired status you pay the application fee to designate your license as retired and do not have to do anything else unless you wish to come out of retirement.

#### **Follow-up Information from the November 2017 Meeting**

At the November 2017 Advisory Committee Meeting, information was requested regarding which 'specified convictions' might prohibit employment as an in-home respite provider under AB 1380 (Santiago), above.

Briefly, this bill would place restrictions to employment eligibility for individuals with sex crimes history, *attempted* child abuse, *attempted* child neglect/endorment, *attempted* elder or dependent adult abuse, theft, robbery, burglary, or any other felony. Further, this bill would place a bar against individuals with convictions for fraud against a government health care or supportive services program, child neglect/endorment, and elder or dependent adult abuse.

More specifically, AB 1380 would add section 4686.1 to the Welfare and Institutions Code, specifying that in-home respite worker employees must submit fingerprints to the DOJ prior to employment. What happens next falls into three separate scenarios:

I) Under proposed WIC § 4686.1(b), **the employer has the discretion to deny employment** to any individual who has:

- 1) A conviction for Sexual Battery under PC 243.4,
- 2) A conviction for a sex offense against a minor,
- 3) Any conviction for an offense requiring sex offender registration under PC § 290, or
- 4) A conviction **or record of incarceration** within the past 10 years for
  - a. An *attempted* violation of PC § 273a(a) – Child Neglect/Endangerment
  - b. An *attempted* violation of PC § 273d – Child Abuse
  - c. PC § 368(a) or (b) – Crimes Against Elders or Dependent Adults
  - d. Theft, robbery, burglary, or
  - e. **any felony.**

II) Under proposed WIC § 4686.1(b)(2) and (3), **the employee shall not be hired as an in-home respite worker if:**

- 1) Within the last 10 years, an employee has a conviction for or has been incarcerated for:
  - a. Fraud against a government health care or supportive services program
  - b. Violation of PC § 273a(a) – Child Neglect/Endangerment
  - c. Violation of PC § 368 – Crimes Against Elders or Dependent Adults.

III) Under WIC § 4686.1(c), The applicant **may be hired, but cannot be paid** for a period of 10 years following conviction or incarceration for:

- 1) Any crime requiring sex offender registration,
- 2) Any 'serious or violent felony' as defined in the Penal Code.

Further, per proposed WIC § 4686.1(d)(1), an applicant *may* be employed as an in-home respite worker notwithstanding their convictions if they have received a Certificate of Rehabilitation as defined in PC § 4852.01 *et seq.* Also, an individual wishing to hire an in-home respite worker may seek a waiver of the exclusions for criminal history.
