

Explanation of Change Without Regulatory Effect

PROFESSIONAL FIDUCIARIES BUREAU

Expedited Licensure

Title 16, California Code of Regulations (CCR), Section 4422

Section 100 CHANGE WITHOUT REGULATORY EFFECT

Pursuant to Title 1, Division 1, Chapter 1, Article 2, Section 100(b)(3), of the California Code of Regulations (CCR), the Department of Consumer Affairs, Professional Fiduciaries Bureau (Bureau) submits this written statement explaining why the proposed amendments to section 4422 of Article 2, Division 41, of Title 16, of the CCR do not materially alter any requirement, right, responsibility, condition, prescription, or other regulatory element of any CCR provision.

Subject to the approval of the Office of Administrative Law, the Bureau would add to, revise, or delete text in the CCR as follows:

A. Business and Professions Code Section 4422

1. Addition of Questions Related to Expedited Licensure pursuant to Business and Professions Code 135.4.

Assembly Bill (AB) 2113 (Low, Chapter 186, Statutes of 2020), effective January 1, 2021, added Business and Professions Code section 135.4¹, which requires boards and bureaus under the Department of Consumer Affairs to expedite the initial licensure process for the following applicants:

¹ Business and Professions Code 135.4, effective January 1, 2021:

- (a) Notwithstanding any other law, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that they have been admitted to the United States as a refugee under Section 1157 of Title 8 of the United States Code, have been granted asylum by the Secretary of Homeland Security or the Attorney General of the United States pursuant to Section 1158 of Title 8 of the United States Code, or they have a special immigrant visa (SIV) that has been granted a status under Section 1244 of Public Law 110-181, under Public Law 109-163, or under Section 602(b) of Title VI of Division F of Public Law 111-8.
- (b) Nothing in this section shall be construed as changing existing licensure requirements. A person applying for expedited licensure under subdivision (a) shall meet all applicable statutory and regulatory licensure requirements.
- (c) A board may adopt regulations necessary to administer this section.

1. Refugees pursuant to section 1157 of title 8 of the United States Code;
2. Those granted asylum by the Secretary of Homeland Security or the Attorney General of the United States pursuant to section 1158 of title 8 of the United States Code; or,
3. Individuals with a special immigrant visa that has been granted a status pursuant to section 1244 of Public Law 110-181, Public Law 109-163, or section 602(b) of title VI of division F of Public Law 111-8.

The Bureau proposes to add the following language to CCR section 4422 to comply with AB 2113:

(12) Whether, to determine if the applicant is eligible for expedited processing or assistance per Business and Professions Code section 135.4, the applicant was admitted to the United States as a refugee pursuant to section 1157 or title 8 of the United States Code, the applicant was granted asylum by the Secretary of Homeland Security or the United States Attorney General pursuant to section 1158 of title 8 of the United States Code, or the applicant has a special immigrant visa and was granted a status pursuant to section 1244 of Public Law 110-181, Public Law 109-163, or section 602(b) of title VI of division F of Public Law 111-8, relating to Iraqi and Afghan translators/interpreters or those who worked for or on behalf of the United States government. If the applicant asserts any of the qualifying circumstances applies, the applicant must attach evidence of the applicant's status as a refugee, asylee, or special immigrant visa holder. The form shall contain an advisory stating failure to supply evidence may result in application review delays.

This is a change without regulatory effect because the Bureau proposes to amend the Affidavit to elicit information necessary to comply with a new California statute. (1 Cal. Code Regs., tit. 1, § 100, subd. (a)(6).) Section 4422 does not presently request the information necessary to comply with section 135.4, and the Bureau is required to provide and does not have discretion to decline expedited licensure for applicants falling within the categories delineated in section 135.4. (Cal. Code Regs., tit. 1, § 100, subd. (a)(6)(A) & (B).)

2. Addition of Questions Related to Expedited Licensure pursuant to Business and Professions Code 115.4.

Senate Bill (SB)1226 (Correa, Chapter 657, Statutes of 2014), effective January 1, 2016, added Business and Professions Code section 115.4², which requires boards and bureaus under the Department of Consumer Affairs on and after July 1, 2016, to expedite the initial licensure process for an applicant that has served as an active duty member of the United States Armed Forces and was honorably discharged.

The Bureau proposes to add the following language CCR section 4422 to comply with SB 1226:

(13) Whether, to determine if the applicant is eligible for expedited processing under Business and Professions Code section 115.4, the applicant has served as an active duty member of the Armed Forces of the United States and was honorably discharged. If the applicant claims this circumstance applies, the applicant shall submit evidence of the applicant's status as an honorably discharged veteran. The form shall contain an advisory stating failure to supply evidence may result in application review delays.

This is a change without regulatory effect because the Bureau proposes to amend the section to elicit information necessary to comply with statute. (1 Cal. Code Regs., tit. 1, § 100, subd. (a)(6).) Section 4422 does not presently request the information necessary to comply with section 115.4, and the Bureau is required to provide and does not have discretion to decline expedited licensure for applicants falling within the category delineated in section 115.4. (Cal. Code Regs., tit. 1, § 100, subd. (a)(6)(A) & (B).)

² Business and Professions Code 115.4, effective January 1, 2015:

- (a) Notwithstanding any other law, on and after July 1, 2016, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that the applicant has served as an active duty member of the Armed Forces of the United States and was honorably discharged.
- (b) A board may adopt regulations necessary to administer this section.

3. Addition of Questions Related to Expedited Licensure pursuant to Business and Professions Code 115.5.

Assembly Bill (AB) 496 (Low, Chapter 351, Statutes of 2019), effective January 1, 2020, added Business and Professions Code section 115.5³, which requires boards and bureaus under the Department of Consumer Affairs to expedite the initial licensure process for an applicant that holds a current license in another state or jurisdiction for which the applicant seeks licensure and who is married to or in legal union with an active duty member of the United States Armed Forces and assigned active duty in California.

The Bureau proposes to add the following language to CCR section 4422 to comply with AB 496:

(14) Whether, to determine if the applicant is eligible for expedited processing under Business and Professions Code section 115.5, the applicant has a comparable license in another state, district, or territory of the United States and is married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in this state under active duty military orders. If the applicant claims this circumstance applies, the applicant shall submit evidence of the applicant's status as a spouse or partner, and evidence of the duty station orders. The form shall contain an advisory stating failure to supply evidence may result in application review delays.

This is a change without regulatory effect because the Bureau proposes to amend section 4422 to elicit information necessary to comply with statute. (1 Cal. Code Regs., tit. 1, § 100, subd. (a)(6).) Section 4422 does not presently request the information necessary to comply with section 115.4, and the Bureau is required to provide and does not have discretion to decline expedited licensure for applicants falling within the category delineated in section 115.4. (Cal. Code Regs., tit. 1, § 100, subd. (a)(6)(A) & (B).)

³ Business and Professions Code 115.5, effective January 1, 2020:

- (a) A board within the department shall expedite the licensure process for an applicant who meets both of the following requirements:
- (1) Supplies evidence satisfactory to the board that the applicant is married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in this state under official active duty military orders.
 - (2) Holds a current license in another state, district, or territory of the United States in the profession or vocation for which the applicant seeks a license from the board.
- (b) A board may adopt regulations necessary to administer this section.

4. Corrections to the Note

The Authority and Reference citations are updated to include references to Business and Professions Code sections 115.4, 115.5, and 135.4 as those statutory sections provide authority to adopt regulations and are being implemented.

These are changes without regulatory effect because the Bureau is merely correcting cross-references in the regulation. (1 Cal. Code Regs., tit. 1, § 100, subd. (a)(4).)

Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4, 1203.4a, or 1203.41 of the Penal Code.

(c) Notwithstanding any other provisions of this code, a person shall not be denied a license solely on the basis of a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code shall provide proof of the dismissal.

(Amended by Stats. 2018, Ch. 995, Sec. 3. (AB 2138) Effective January 1, 2019. Section inoperative July 1, 2020. Repealed as of January 1, 2021, by its own provisions. See later operative version added by Stats. 2018, Ch. 995.)

(Amended by Stats. 2018, Ch. 995, Sec. 6. (AB 2138) Effective January 1, 2019. Section inoperative July 1, 2020. Repealed as of January 1, 2021, by its own provisions. See later operative version added by Stats. 2018, Ch. 995.)

482.

(a) Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:

- (1) Considering the denial of a license by the board under Section 480; or
- (2) Considering suspension or revocation of a license under Section 490.

490.

(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

(Amended by Stats. 2010, Ch. 328, Sec. 2. (SB 1330) Effective January 1, 2011.)

6517.

The bureau may adopt, amend, or repeal, in accordance with the provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), regulations necessary to enable the bureau to carry into effect the provisions of law relating to this chapter.

(Added by Stats. 2006, Ch. 491, Sec. 3. Effective January 1, 2007.)

[Approved by Governor September 27, 2019. Filed with
Secretary of State September 27, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 496, Low. Business and professions.

Under existing law, the Department of Consumer Affairs, which is under the control of the director of the Director of Consumer Affairs, is comprised of various boards, as defined, that license and regulate various professions and vocations. With respect to the Department of Consumer Affairs, existing law provides that the Governor has power to remove from office any member of any board appointed by the Governor for specified reasons, including incompetence.

This bill would instead provide that the appointing authority has power to remove a board member from office for those specified reasons.

Existing law authorizes the director to audit and review, upon the director's own initiative or upon the request of a consumer or licensee, inquiries and complaints regarding, among other things, dismissals of disciplinary cases of specified licensees and requires the director to report to the Chairpersons of the Senate Business and Professions Committee and the Assembly Health Committee annually regarding any findings from such an audit or review.

This bill would instead require the director to report to the Chairpersons of the Senate Business, Professions and Economic Development Committee and the Assembly Business and Professions Committee.

Existing law defines the term "licentiate" to mean any person authorized by a license, certificate, registration, or other means to engage in a business or profession regulated or referred to, as specified.

This bill would instead define "licensee" to mean any person authorized by a license, certificate, registration, or other means to engage in a business or profession regulated or referred to, as specified, and would provide that any reference to licentiate be deemed to refer to licensee.

This bill would make other conforming and nonsubstantive changes, including replacing gendered terms with nongendered terms, updating cross-references, and deleting obsolete provisions.

This bill would provide that any section of any act that is enacted by the Legislature during the 2019 calendar year that takes effect on or before January 1, 2020, and affects any section of law amended by this bill, would prevail over this bill, whether that act is enacted prior to, or subsequent to, the enactment of this bill.

The people of the State of California do enact as follows:

SECTION 1. Section 23.8 of the Business and Professions Code is amended to read:

23.8. "Licensee" means any person authorized by a license, certificate, registration, or other means to engage in a business or profession regulated by this code or referred to in Sections 1000 and 3600.

Any reference to licentiate in this code shall be deemed to refer to licensee.

SEC. 2. Section 23.9 of the Business and Professions Code is amended to read:

23.9. (b) The Board of Psychology and the Board of Behavioral Sciences shall establish required training in the area of child abuse assessment and reporting for all persons applying for initial licensure and renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist. (4) An applicant shall provide the appropriate board with documentation of completion of the required child abuse training.

(d) The Board of Psychology and the Board of Behavioral Sciences shall exempt an applicant who applies for an exemption from this section and who shows to the satisfaction of the board that there would be no need for the training in the applicant's practice because of the nature of that practice.

Assembly Bill No. 2113

CHAPTER 186

An act to add Section 135.4 to the Business and Professions Code, relating to professions and vocations.

[Approved by Governor September 27, 2020. Filed with Secretary of State September 27, 2020.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2113, Low. Refugees, asylees, and special immigrant visa holders: professional licensing: initial licensure process.

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law prohibits a board within the department from denying licensure to an applicant based upon their citizenship or immigration status.

This bill, notwithstanding any other law, would require a board within the department to expedite, and authorize it to assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that they are a refugee, have been granted asylum, or have a special immigrant visa, as specified. The bill would authorize a board to adopt regulations necessary to administer these provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 135.4 is added to the Business and Professions Code, to read:

135.4. (a) Notwithstanding any other law, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that they have been admitted to the United States as a refugee under Section 1157 of Title 8 of the United States Code, have been granted asylum by the Secretary of Homeland Security or the Attorney General of the United States pursuant to Section 1158 of Title 8 of the United States Code, or they have a special immigrant visa (SIV) that has been granted a status under Section 1244 of Public Law 110-181, under Public Law 109-163, or under Section 602(b) of Title VI of Division F of Public Law 111-8.

(b) Nothing in this section shall be construed as changing existing licensure requirements. A person applying for expedited licensure under subdivision (a) shall meet all applicable statutory and regulatory licensure requirements.

(c) A board may adopt regulations necessary to administer this section.

Senate Bill No. 1226

CHAPTER 657

An act to amend Section 7574.18 of, and to add Section 115.4 to, the Business and Professions Code, relating to veterans.

[Approved by Governor September 27, 2014. Filed with Secretary of State September 27, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1226, Correa. Veterans: professional licensing.

Under existing law, boards within the Department of Consumer Affairs license and regulate persons practicing various healing arts, professions, vocations, and businesses, including accountants, dentists, proprietary security services, and real estate brokers. Existing law requires a board to expedite the licensure process for an applicant who holds a current license in another state, district, or territory of the United States in the profession or vocation for which he or she seeks a license from the board, if the applicant is married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active duty military orders.

This bill, on and after July 1, 2016, would require a board to expedite, or when applicable assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that he or she has served as an active duty member of the Armed Forces of the United States and was honorably discharged.

Existing law requires a person registered and hired as a proprietary private security officer to complete training in security officer skills within 6 months of registration being issued or being employed, except as specified.

This bill would authorize submission of Verification of Military Experience and Training (VMET) records showing the person has completed equivalent military training in lieu of completing a course of training in security officer skills. The bill would require the department to determine the type of equivalent military training that qualifies to serve as a substitute.

The people of the State of California do enact as follows:

SECTION 1. Section 115.4 is added to the Business and Professions Code, to read:

115.4. (a) Notwithstanding any other law, on and after July 1, 2016, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the

board that the applicant has served as an active duty member of the Armed Forces of the United States and was honorably discharged.

(b) A board may adopt regulations necessary to administer this section.

SEC. 2. Section 7574.18 of the Business and Professions Code is amended to read:

7574.18. (a) Except for a person who has completed the course of training required by Section 7583.45, a person registered and hired as a proprietary private security officer shall complete training in security officer skills within six months from the date upon which registration is issued, or within six months of his or her employment with a proprietary private security employer.

(b) (1) Except as provided in paragraph (2), a course provider shall issue a certificate to a proprietary private security officer upon satisfactory completion of a required course, conducted in accordance with the department's requirements.

(2) If a proprietary private security employer administers a course of training pursuant to this section, that proprietary private security employer shall issue a certificate to a proprietary private security officer for the completion of training in security officer skills that each proprietary private security officer is required to complete, as determined by the department, including, but not limited to, power-to-arrest training. However, the employer shall not be required to provide a certificate for training courses provided pursuant to a curriculum adopted by the department that are specific to that employer's business and where the subject of training is not specifically required by the department.

(c) An employer of a proprietary private security officer may provide training programs and courses in addition to the training required in this section.

(d) The department shall develop and establish by regulation a standard course and curriculum, which shall include a minimum number of hours of instruction, for the skills training required by subdivision (a) to promote and protect the safety of persons and the security of property. For this purpose, the regulations adopted by the department pursuant to Section 7574.5, as added by Chapter 721 of the Statutes of 2007, are continued in existence, and shall be amended by the department as necessary.

(e) The course of training required by subdivision (a) may be administered, tested, and certified by any proprietary private security employer, organization, or school approved by the department. The department may approve any proprietary private security employer, organization, or school to teach the course.

(f) (1) A proprietary private security employer shall annually provide each employee registered pursuant to this chapter with specifically dedicated review or practice of security officer skills prescribed in the training required in this section. The bureau shall adopt and approve by regulation the minimum number of hours required for annual review.

(2) A proprietary private security employer shall maintain at the principal place of business or branch office a record verifying completion of the

review or practice training for a period of not less than two years. The records shall be available for inspection by the department upon request.

(g) This section does not apply to a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, who has successfully completed a course of study in the exercise of the power to arrest approved by the Commission on Peace Officer Standards and Training. This section does not apply to armored vehicle guards.

(h) A person registered and hired as a proprietary private security officer may submit Verification of Military Experience and Training (VMET) records that document that the person has completed equivalent military training in lieu of completing a course of training in security officer skills pursuant to subdivision (a). The department shall determine the type of equivalent military training that qualifies to serve as a substitute.
