

Dear Applicants and Licensees –

While California continues to navigate the uncertainty of Novell Coronavirus (COVID-19) and limit its spread, the Professional Fiduciaries Bureau (Bureau) is committed to supporting our licensees, applicants, and consumers throughout the course of this pandemic and to provide continuity of service at all times. The Bureau is closely monitoring the COVID-19 situation, coordinating with the state and local governments, and working with our partners to protect the health of Californians.

The Bureau understands the ability to perform licensed work is a priority. We appreciate your patience as we work on implementing new technologies to work remotely and adhere to social distancing guidelines. We apologize in advance for any delays in reaching our staff or potential delays in our processing times.

We have received a number of inquiries from our licensees. We are providing the below FAQ's in an effort to provide information.
